FEATURES

8 So, You Want to Start Your Own Business?

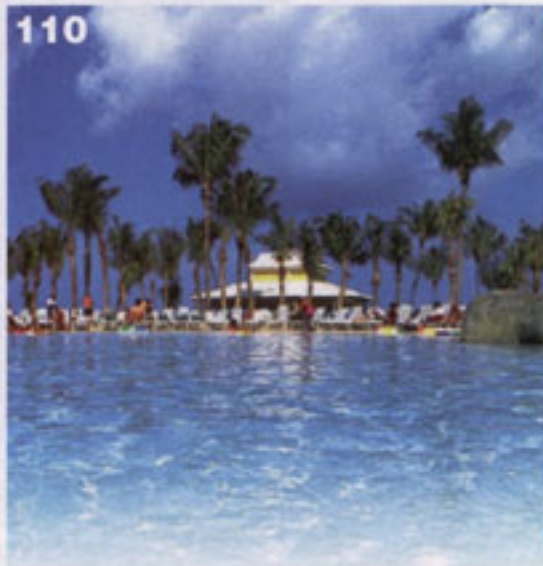

Brian Tracy, bestselling author and an expert on business and personal development, discusses the three keys to successfully starting your own home-based business.

13 The Three Reasons People Do Not Seek Legal Counsel

Mark Brown discusses a viable solution for those who find the legal system to be intimidating, daunting and much too expensive.

110

88 Making a Living While Making a Difference

Thanks to various proactive endeavors, some members of the legal profession are rediscovering a sense of purpose and idealism.

96 It All Begins With a Strong Foundation

The good folks of Ada, Oklahoma, embody the spirit of Pre-Paid Legal, where people are the greatest resource.

110 A Community of Support and Fun

Pre-Paid Legal offers more than legal plans and financial opportunity. It offers a community of support, training and fun unrivaled in the direct selling industry.

124 A System of Success

Success takes a combination of hard work, persistence and knowledge. Pre-Paid Legal's time-tested training system provides a running start.
